Confirmation Required Events

The purpose of these classes, retreats and practices are to support you as the first educators of your children. That being said, all Parent Classes, Retreats and Rites are **mandatory requirements for all**. We have found them to be important enough to be labeled as such. We appreciate your help and support as we answer to our bishop for properly preparing our children.

At least one parent is to attend the Parent Class. The student and at least one parent are required to participate in the Retreat and Rites. Sponsors are welcome to join us for the Rite of Welcoming , but not required.

Please mark your calendars now for these dates and times:
