To Prepare at Home for the Retreat:

- Set aside at least an hour to “retreat” with your Sacrament Preparation child. Make it special.
- Be creative to give your at-home-retreat a feeling of being “set apart” from the ordinary.
- Letting your child and the retreat materials be your only focus during this time is the most important part of creating a Retreat atmosphere.
- You will need to view and hear the videos shared with you during the retreat.
- You will also need space for working together on the poster/banner.
- Gather all of these at home supplies before beginning: Crayons or Markers or Colored Pencils or Watercolors (your choice or a mix), Child Scissors, Glue Stick or Glue, Pen or Pencil, Retreat Packet
