The purpose of these classes, retreats and rites are to help and support you as the first educators of your children. That being said, all Parent Classes, Retreats and Rites are mandatory requirements for all families. We have found them to be important enough to be labeled as such and appreciate your help and support for us as we answer to our bishop for properly preparing our children.

At least one parent is to attend a Parent Class for any sacrament to be received this school year. The student and at least one parent are required to participate in all scheduled Retreats, Rites or Practices for any sacrament to be received during the spring of 2019.
